A fabric shirt provided the base for this armour where hundreds of iron or bronze metal plates were sewn into the shirt.

Roman Armour Fact File by Kidadl

Surtout, ayant une prdilection pour la philosophie, elle dcida dapprofondir cette matire.

Roman Armour Fact File by Kidadl

An excellent illustration of this is the statue of Caesar Augustus atop the theater in the Roman city of Orange, in what is now France. Protagonistes : une femme, un homme.

Roman military personal equipment

Dans une troisième vie, devenu serviteur de Dieu, il sublimera le désir charnel au point de s'en détacher complètement. Legionaries wore an undershirt made of linen and a woollen tunic.
