## Surveying the “Long Nineteenth Century”: A Review of Art

It was won by Giovanni Fattori with the painting *The Italian Camp after the Battle of Magenta*.

### 34 Art

His devotion to his students was legendary; when he died in the 10th arrondissement of Paris on November 20, 1880, he was buried in the cemetery of Pere Lachaise. Containing slight light toning, a small water stain in the lower margin and a vertical scratch mark to the upper, middle right about one half inch 1 cm. Since they are both a reflection and a creation of the artist, they illustrate his artistic prowess while seeking to define himself.

## Art in an Age of Civil Struggle, 1848

Still Life represents a prime, original example of the graphic art of Hans Alexander Mueller 'Hans Mueller'. Eisenman is, in fact, the only one of these authors whose other scholarly work concentrates on the late nineteenth century, focusing particularly on the work of Paul Gauguin and Odilon Redon.

Additionally, many of the books that Eitner does cite are written in languages other than English, which makes them a hard sell to students in a basic survey of nineteenth-century art. And, a little surprisingly perhaps, he included Renoir and Sisley in the Société Nationale des Beaux-Arts which he founded in 1889. Delatre was perhaps one of the greatest printer of all times.
