Chinese Art: Characteristics, History

Mi Fu: Style and the Art of Calligraphy in Northern Song China. Smaller miniature figurines, on average 60 centimeters 24 in in height, have also been found in various royal Han tombs where they were placed to guard the deceased tomb occupants in their afterlife. All except Zao completed their education before 1949 and returned to become leaders in the modern art movement.

Chinese Art

When the Nationalists arrived in Taiwan, a group of ambitious youths, who came with the Nationalists, continued the modern art movement. After this early period Chinese art, like Chinese history, is typically classified by the succession of ruling of, most of which lasted several hundred years.

Chinese art

All are interesting and their stylised elegance is often of arresting beauty.

Chinese Art: Characteristics, History

New fortunes from countries once thought of as poor often prefer non-Western art; a large gallerist in the field has offices in both New York and Beijing, but clients mainly hailing from Latin America, Asia and the Middle East. We are an American owned and operated company, and all of our staff has been trained to provide you with excellent customer service.
