The Cuban Missile Crisis Revisited

That they do all that is in their power to save peace.

Cuban missile crisis

Fairly certain that they did not contain any military material, the US allowed it through the blockade. President Kennedy and most of his inner circle seem to have had a more expansive view of the risks involved.

Cuban Missile Crisis

In nearly every international crisis of his presidency, he opted for diplomacy and dealmaking over force. Publisher Information Founded in 1921, the Council on Foreign Relations is an independent, nonpartisan membership organization, think tank, and publisher dedicated to being a resource for its members, government officials, business executives, journalists, educators and students, civic and religious leaders, and other interested citizens in order to help them better understand the world and the foreign policy choices facing the United States and other countries. But we should also be wary of drawing generalizations that ignore important ways in which the world has changed, that cannot be supported by evidence from a single crisis, and that are insensitive to the fact that diplomatic or strategic successes can rarely be repeated in quite the same way.

CHSS

During the following 13 days, October 16—28, 1962, Cold War diplomacy heated to the combustion point as the president and Premier Khrushchev initiated actions that edged the world toward nuclear Armageddon.

Policosanol: Cuban lipid crisis revisited

DEFCON-2: Standing on the Brink of Nuclear War During the Cuban Missile Crisis.

CHSS

With two titles ending in question marks, there was no way for me to avoid a series in which a comma is lacking.

Bibliography

I have no doubt they would lose such a war. On this Saturday evening, the fate of the world is not in the hands of any head of state.
