Of Smallpox, Epidemics, Hawaii (or Hawai'i), Latter

.

Polygamy and the Early Mormon Hawaiian Mission

He told Young that local Indians raised good crops, including corn and pumpkins, but that there was ever-present danger of frost. . As Elder Grouard had married a native woman, Elder Pratt was the one selected to go, and he sailed from Papeete, Tahiti, March 28, 1847, for America.

Of Smallpox, Epidemics, Hawaii (or Hawai'i), Latter

Pratt learned and adopted the cultural ways of the Polynesian people, but was unable to translate the Book of Mormon into Tahitian due to a lack of printing facilities in Tubuai. For five months, they sailed the eighteen thousand miles from Boston around South America to Hawaii while crammed into a six-by-six-foot cabin already filled with luggage, goods, and a single narrow bunk. I felt like I would like to do her a kind action in return for her enmity towards me, and I thought while I stood by her grave and wrote in my memorandum book the inscription upon her grave, that perhaps the time had come that I could do her a favor by having the ordinances of baptism performed for her and her husband, and if she was sincere in her course of life on earth, she may be convinced of the truth of the gospel in the place to which she has gone, and be grateful to those whom she despised on earth as unfit to associate with her, if they shall perform for her the ordinances of the gospel that she would not, in consequence of her false religious bigotry, perform for herself.

Sandwich Islands

Her relatives kept her informed of the activities of Edward, as he moved to Kirtland, then Missouri, and finally Nauvoo. An analysis of the unique aspects of Iosepa illustrates its differences from other Mormon towns and reveals its continued importance to current Utah residents of Polynesian ancestry. .

List of missionaries to Hawaii

Formerly the Vicar General of the Diocese of Oakland, Silva was ordained to the episcopate and installed as bishop at the on July 21. Cannon also reported having a dream that would greatly impact his future service in Hawaii: I dreamed one night that this party of brethren were heaving at the windlass, having a rope attached to it reaching forward to the anchor at the bow of the vessel. When pressure from the French led to the expulsion of the American missionaries in the 1850s, islander Latter-day Saints were left without direction from Church headquarters.

The Mormon Mission

. Hagoth moves on, leaving perhaps a few offspring, but not enough to secure Lamanite identity to an entire ethnic group.
