## The Republican Assault on Democracy is Worse Than You Think

In short, we have endured thirty years of right-wing political reaction and class war from above intended to undo or undermine the progressive advances of the 1930s and 1960s. I further contend that we should embrace our radical history, because we owe it to ourselves — and, ultimately, to Americans yet to come — to do so. We can save the rights we have inherited from our fathers only by winning new ones to bequeath our children.

## The Republican Assault on Democracy is Worse Than You Think

State Legislatures, which used to pick Senators, will supplant secretaries of state where Republicans detect any wobbling.

## Americans Should Embrace their Radical History (Redux)

But even if you do remember those developments, you may not have critically considered what they represented. And you would not have been alone in not doing so.

Meanwhile, Georgia Governor Brian Kemp is at 53 percent and term-limited Arizona Governor Doug Ducey is at 50 percent. If you enjoyed this article, consider making a donation to help us produce more like it. And you yourselves are the children of a generation who — for all of our many faults and failings — marched for civil rights, pursued the vision of a Great Society, challenged cultural prohibitions and inhibitions, pushed open institutional doors for women and people of color and protested an imperial war in Southeast Asia.
