**The Project Gutenberg eBook of Trip to the West and Texas, by A.A. Parker.**

The great Mis souri, after traversing a vast extent of country, in various directions, here bears directly down upon the Mississippi; but the latter, like a coy maiden, shrinks back, recoils at his approach, and seems to decline the rude embrace; and they travel on together for forty miles, before the Missouri can unite its muddy waters with those of the clear and transparent Mississippi.

And when once kindled, the fire goes where the wind happens to drive.

**Auction 5: Lots 133**

In the morning we crossed the river, on a very good bridge, and half a mile further, entered the upper village of Ann Arbor, much larger than the lower one; having two taverns, a number of stores, dwelling houses, and a court house.

**Browse subject: Frontier and pioneer life**

They are sullen, gloomy and obstinate, unless powerfully excited, and then, they exhibit all the antics of madmen.

He did not, however, like the Vermonter, again return. The Mexican army arrive in Texas, commanded by Santa Anna in person, —Situation of San Antonio, —capture and massacre of Col.

### **Dorothy Sloan**

When land has once been through the auction and not sold, it can be taken at any time, by paying a dollar and a quarter an acre, and receive a title. The trade of all the upper country centres here; and when the canal is completed, connecting the lake with the waters of the Illinois river, it must become the largest town in the State.
