## Tips for Maintaining Your Personal Health and Wellness

Understanding your options at a young age to living a healthy and balanced life will have positive ramifications not only for your own wellbeing, but for that of others as well. You have to initiate the change. Include major illnesses in your family, major events in your health, a list of your medications past and present, and a list of any bad drug reactions.

## Tips for Maintaining Your Personal Health and Wellness

Medication Plus Chestnut's Medication Plus program meets a growing need for persons who need medication for psychiatric concerns and who are on Medicaid. This is accomplished by creating an environment where hope is evident, and success is celebrated.

## How to decline an invitation for any reason without being rude

Individual Placements and Support IPS Vocational Program for Potential Employees Chestnut's Individual Placement and Support IPS vocational program for potential employees is based on the belief that every person with a severe mental illness is capable of working competitively in the community if the right kind of job and work environment can be found.

## How to Decline an Invitation Gracefully

For more information, please call. For example, are you struggling to lose weight, but you maintain your along with a questionable diet? Topics will include diet and adequate sleep, as well as the importance of physical activity.
