Please discuss any options with your healthcare provider. Start your day right with breakfast, and keep your energy up and your mind clear with throughout the day.

MOODJUICE

Since stress is so prevalent, it's more than likely that you could be merely trading one type of stress for another. We all face countless — and sometimes overwhelming — demands on our time, energy and attention every day. Until you accept responsibility for the role you play in creating or maintaining it, your stress level will remain outside your control.

7 free downloadable and printable stress management worksheets

It can help to develop a structured way of working through a problem.

How to handle stress at work

Problem Solving You might find it more difficult to cope if you have lots of problems that you can't seem to get on top of. Depending on the severity of your symptoms, this one may be difficult.
