Globalization and Third World Women

In: Roberts JT, Hite AB, Chorev N, editors. In: Meyer MK, Prügl E, editors. These assumptions, combined with fear mongering of Malthusian-like population control advocates best exemplified in Paul Ehrlich's book, *The Population Bomb*, blinded many to the coercive aspects of US population policy.

Globalization and third world women : exploitation, coping and resistance in SearchWorks catalog

It unravels the intersections of race, culture, ethnicity, nationality and class which have shaped the position of these women in the global political economy, their cultural and their national history. After graduating from the University of Evansville, Mueller took graduate courses at Indiana University.
