The Ultimate London Travel Guide • The Blonde Abroad

It incorporates both aesthetically and structurally unique features, drawing inspiration from the spires of different London churches.

50 Best Buildings In London

It offers more substantial and more frequently updated advice on every front: practicalities, sightseeing, self-guided tours, hotels, restaurants, entertainment, shopping, kids' activities, and the city's history and culture, plus chapters on the best day trips. This twin-domed riverside masterpiece is the workmanship of Sir Christopher Wren and stands on the site of Greenwich Palace. Its tower at London Bridge has a chunky quality.

London Architecture Guide

It was a utopian vision of a future society where everyone lived side by side, surrounded by culture and safety.

London Guidebook for 2021

. Here's my ultimate London travel guide with all my tips for planning your trip to England! It was recently restored to its former glory, gaining an open-air plaza that shows off the original, bold 1851 building. Once you've used this book in Europe, we'd love to hear your — good or bad — about our advice on sights, hotels, restaurants, and travel tips.

The Ultimate London Travel Guide • The Blonde Abroad

It's also home to one of this country's most ambitious art programs, and should be celebrated for everything that it is. The best bit though is the museum, which is packed full of exhibits and trinkets, but totally lacking in any real clear explanations for what any of this stuff is. The building is built using eco-friendly methods like using a solar panelled roof and cold groundwater instead of refrigeration this water is later used to flush toilets.

London Guidebook for 2021

. It was fun to share a building in London which is pretty unknown yet really quite visually special.

London skyscrapers

Oxford Street, on the other hand, attracts most tourists looking for souvenirs! The Architecture Foundation in partnership with Brockton Capital has launched one of its most ambitious projects to date — a free app guide to the architecture of London incorporating over 1,100 of the city's most remarkable buildings from Roman times to the present day. The Shard is home to several distinguished restaurants. The Dublin Castle was built for Irish navvies working on railways in London, but gained prominence as a venue in the late 1970s after Madness established a live reputation there.
