The bending cross; a biography of Eugene Victor Debs : Ginger, Ray : Free Download, Borrow, and Streaming : Internet Archive

If I had but one-tenth of the quality of Debs, I would have much to be proud of. Highly recommended, and required for anyone with a specialized interest in American political history. Jimmy Stewart would have played him in the movie.

The Bending Cross a Biography of Eugene Victor Debs

The writing of this book is fine, no more or less than that. This is a biography worth reading for sure.

The bending cross : a biography of Eugene Victor Debs

Ray Ginger wrote here one of the most excellent biographies.

The Bending Cross: A Biography of Eugene Victor Debs by Ray Ginger(1905

Despite its age published in 1949 , this biography is great reading. It is, I think, my grandfather's copy; my father's middle name was Eugene, possibly after Debs, and this copy was in our library my whole life, always looking somewhat enigmatic to me, with its old-fashioned yet popular-looking dust jacket, an unknown man of unplaceable time and setting on the cover.

satis.farmjournal.com: Customer reviews: The Bending Cross: A Biography of Eugene Victor Debs

The lack of perspective hinders this book greatly.

The bending cross : a biography of Eugene Victor Debs

Debs went from being a railroad worker to a union leader to the head of the Socialist Party during what was an unbelievably violent time. Its hard to think of a more admirable person to read about when it comes to those who have run for president in America's history. When young lefties ask me what they should read which has happened fairly regularly these past 10 years , I usually tell them: read history, not theory.

The bending cross : a biography of Eugene Victor Debs : Ginger, Ray : Free Download, Borrow, and Streaming : Internet Archive

I'm glad I pushed on through because I think Eugene Debs is an inspiring person who gave his life to the working man.
