Quotes

When we need to talk candidly about something difficult with another person, we must focus on the conversation with keen attention and purpose.

Why the Way You Talk to Your Child Matters

Before the digital age, typography was a specialized craft associated with books and magazines, and eventually public works. One of the basic causes of chronic disease is poor nutrition.

Why Inspiration Matters

Inspiration is the springboard for creativity. Rita Mailheau Derek, I agree with you that using plain language is best for Internet audiences.

logo

An easy first step is simply recognizing the sheer potency of inspiration, and its potential impact on everything we do. Off subject: What would you think of a hot Sicilian woman using big words in that language to describe the awesome sex your having, Derek? It happens when you replay upsetting or cringe-worthy thoughts or events over and over again in your head. Several studies have shown that eating sugar in excess leads to an increased risk of Type 2 diabetes, coronary heart disease, obesity, hyperactivity, and tooth decay.
