The place directly in front of the stage, without seats—the parterre—was reserved for men, but since these were the cheapest tickets the parterre was usually a mix of social groups.

England in the Seventeenth Century by Maurice Percy Ashley

And when she buries a man, that action concerns me: all mankind is of one author, and is one volume; when one man dies, one chapter is not torn out of the book, but translated into a better language; and every chapter must be so translated; God employs several translators; some pieces are translated by age, some by sickness, some by war, some by justice; but God's hand is in every translation, and his hand shall bind up all our scattered leaves again for that library where every book shall lie open to one another. Actors included Turlupin, Gros-Guillaume, Gautier-Gargouille, Floridor, Monfleury and.
