## Robert Mapplethorpe And His

And here, ladies and gentlemen is where it gets interesting. In contemporary culture, photography is primarily an advertising tool and, as such, subject to numerous codification procedures. The pose is very different from the way women are normally photographed in the media and contrasts with her hairstyle and make-up.

## Art Review: 'Self

Their bright colours and geometric patterns were associated with the struggle for political and cultural independence. Three of these early pieces are on display at the Hood. A self-portrait will allow you to express emotions and see what they are like.

## A House is not a Home, Ham, Selfportrait 2013

The fabrics became popular during the African independence movement.

## contemporary art

This is how a nation sees itself and how it is seen by others. As the series progressed I would make lists of things I thought were missing to round out the group.
