A derivative hillbilly feature called Looie Lazybones, an out-and-out imitation drawn by a young ran in several issues of Standard's in the late 1940s. Lower Slobbovians spoke with burlesque -Russian accents; the miserable frozen wasteland of Capp's invention abounded in incongruous humor. Conceptually based on , or perhaps specifically on , Capp's icy hellhole made its first appearance in Li'l Abner in April 1946.
