Census

Refer to the spatial contiguity rule rule 4. The LFS does not provide federal employment counts, but it has a long series.

Standard Geographical Classification (SGC) 2016

The LMA for persons with disabilities Employment Equity Act defined figures include those aged 15 to 64 who worked in 2016 or 2017.

Standard Geographical Classification (SGC) 2016

More than one in four children was Aboriginal in the territories, Manitoba and Saskatchewan. Books contributed by Statistics Canada.

Does Census Hiring Stimulate Jobs Growth? in: IZA Journal of Labor Policy Volume 10 Issue 1 (2020)

Census enumeration has always been based on finding people where they live, as there is no systematic alternative: any list used to find people is likely to be derived from census activities in the first place. This Juristat article examines the nature and extent of police-reported hate crime in Canada.

2016 Employment Equity Data Report

Accordingly, the type is presented as City CY in English publications; City CY in French publications; and as City CY in bilingual publications.

Standard Geographical Classification (SGC) 2016

In my most accurately estimated regression, the point estimate is 0. The component CSD with the higher census population count at the time of the name change assumes the second position and the next largest component CSD the third position. Denis Twitchett and John K.
