## DepEd ensures inclusive education for learners with special needs

Cite this guide: Thurber, A. American Journal on Mental Retardation, 107, 181—193.

## Series Detail: Series Detail by Emerald Publishing Bookstore

Students could have defined learning disabilities which require curriculum and instructional modifications to accommodate the learning needs of the students or they could have physical or emotional disabilities that require a different intervention or adjustment. We excluded educational groups for teaching students or staff; organisational and management literature on work groups and teams, and treatment groups in mental health, where there is an extensive literature.
