The challenges of implementing quality in the Irish hotel industry: a review

Employment legislation in Ireland recognises agreements between employer and employee even if not written down. Never the less such distinctions make the business more profitable. It was new business for a president who claims to be a billionaire — his true finances are not known — and cash he probably needs, given the financial struggles of his branded properties.

Porter's Five Forces Model of Hotel Industry

From the guidance provided in the Five Factor Model recommendations are made to enhance and refine internet strategy for the considered hotel chains.

PESTLE Analysis of Hospitality Industry

It has chosen first class luxury and setting as differentials.

Irish Hotels Federation

Now, people like to spend their days on luxury ships which sail across the blue oceans under the clear sky.

Pence's stay at Trump's Irish hotel shows corruption has become routine

Distinguishing oneself from the competition becomes vital.

Irish Hotels Federation

Even if maternity leave is not part of the agreement between employer and employee, or an agreement is made not to apply the particular law, the employee still has their statutory right to maternity leave. This is a clever way to increase the cost of switching.

Outlook: SME Sector Reports

The shot in the arm the hospitality industry needs will be literally taken by the public, for better or worse. With an aging population, there are fewer people to fill service industry jobs and hotels which can attract excellent staff have a greater chance of providing excellent and exceptional experiences to their clientele.
