Adventure of Nebulandia

Public Record Office: Printed for Her Majesty's Stationery Office by Eyre and Spottiswoode.

Charles Cornwall

In the Sexy Foxy, Komei gloats over his capture of Zoro and Sanji as Dojaku hands him his Marine coat, asking about Luffy's escape. It seemed more diffuse than the earlier installments.

The Yellow Admiral

However, Komei says that he knew that the Straw Hats would get the Rebound Mushroom and feed it to Luffy, and states that they will move on to the second phase of his plan. Luffy is unable to withstand Komei's sword as his weakness to the sea takes effect and renders him helpless.

File:Voyages and adventures of the renowned Admiral Drake.pdf

With the Marines defeated, the Straw Hats and Foxy Pirates return to Mushroom Island, where they part ways. The peace is announced; Napoleon is exiled to Elba. The tomb is topped by an eternal flame, not a breadfruit.

Charles Cornwall

I will not farther now particularize this business, but time will show I have not been in the wrong, unless being too kind to an ungrateful man. Benbow in 1701, by Sir. .
