JSTOR: Viewing Subject: Performing Arts

Plant ikke upas-træet om vor Bolig, det er hver Slave, og ved dig! Though they have modern critical champions such as , Scott's novels are today more likely to be experienced in the form of the many operas that composers continued to base on them over the following decades, such as 's and 's both 1835. Influenced heavily by Lord Byron, Lermontov sought to explore the Romantic emphasis on metaphysical discontent with society and self, while Tyutchev's poems often described scenes of nature or passions of love. Though his novels celebrated Scottish identity and history, Scott was politically a firm Unionist, but admitted to Jacobite sympathies.

Romanticism

One of the most important functions of medieval references in the 19th century
