## Mantikora (Online)

If no enemies are immobilized, you restore 66% of the cost. I will include a guide on how to play through these quests in the old way later on when I cover the Main Quest.

## No, thank you! : Discontinued & Outdated : Elder Scrolls Online AddOns

The familiar's attacks deal 283 Shock Damage.

## Endgame Guides

Dark Magic Rank 50 -- -- -- Instant 21s Area 28m 6m 200 Ultimate Summon a storm atronach at the target location.

## Endgame Guides

This area is a PvE zone built with the objective of challenging groups of four players while they participate in questing, dark anchor hunting, skyshard locating, special crafting, etc. I do feel bad though for the new players who pickup eso morrowind or summerset on a whim or on an detail lacking recommendation and have no idea those are expansions. Casting any Necromancer ability counts towards the third cast.

## Mantikora (Online)

Unfortunately I wasn't able to fully test it.
