Description in Classical Arabic Poetry: Waḍʿ, Ekphrasis, and Interarts Theory

The ghazal developed from the first part of qasida in which poets praised their sweethearts. However, ElBaradei and the Muslim Brotherhood stressed they would not talk to any government representative, including Vice President , until Mubarak's resignation.

Qasidah

Following the works of al-Jāḥiẓ, one strand in Arabic prose style, influenced by the same aesthetic principles as had driven the badī trend in poetry, relished elaboration and its concomitant patterns of repetition and assonance.

Field Works

She was born and raised in the Najd region the central region of modern-day Saudi Arabia.

Later genres As the ceremonial qasīdah during the Islamic centuries became more and more the realm of panegyric, other themes within the pre-Islamic tradition—wine, hunting, love, and maxims—emerged as separate genres in their own right. The people of Egypt have spoken, their voices have been heard, and Egypt will never be the same.

Qasida

Abu Nuwas has entered the folkloric tradition, and he appears several times in The Book of One Thousand and One Nights.
