At some point, either Clyde or Blanche walked to a local drugstore to buy bandages and over-the-counter medical supplies for Bonnie. Both were convicted of murder and executed in the electric chair at on May 10, 1935.

The Story of Bonnie and Clyde by Bonnie Parker

However, according to , later director of the NICAP , the real reason for the sudden search was because two near-Earth orbiting objects had been picked up on new long-range radar in the summer of 1953, according to his source. That distortion enables the transition of a violent criminal into a folk hero.
