Like the first two women, the prostitute and Rose, Jiaorui embodies a dangerous other. This fifth line, which stands all by itself, abruptly ends the narrative stasis: the girl takes control and walks away. However, a disadvantage of this model consists in inability to explain the choice of the transformation made, especially at the third synthesis phase.

He then stages a medium-long look of the couple partially concealed behind the tall booth Figure 4. The difference between the two lies in the roles of computer and human translator.

## **Theory of translation ( english and russian) (2)**

Aha He Xiaoyan, played by You Anshun , the narrator, mentions four memorable deaths. Kwan quite convincingly exploits the discrepancy of the two views. As a result, the translator showed the character's illiteracy.
