Publishing Overview

This Act also made far-reaching changes in the Elementary and Secondary Education Act to enable schools to provide opportunities for children to meet challenging State content and performance standards. Contributions were also solicited and received from interested members of the many non-governmental organizations and other public interest groups active in the area of civil rights, civil liberties and human rights in the United States.

James Madison University

Two years after medical marijuana use was legalized, a state panel is reviewing about 800 applications to dispense it, and approval is not expected until the summer.
