Symposium

A Policy Information Generation System: A Prototype.

2020 Symposium on the Future of Libraries Opens Call for Session Proposals

Automatic integration over a triangle using the Levin transformation. Papers presented at the symposium will be published later in the proceedings, compilation books and journals, and a certificate of participation will be presented to the participants. This Symposium is of great significance for promoting the development of Chinese librarianship and enhancing exchanges and cooperation among libraries all over the world.

IFLA

In Proceedings of the Annual Symposium of the National Research Council of the Philippines - Division II, UP Diliman, Philippines, February 18, 1995. Some new structural results on the cores of a tree.

Proceedings of the International Symposium for Production Research 2019 (eBook, 2020) [satis.farmjournal.com]
