JOURNALS

We know this region as Latin America because both Spanish and Portuguese are spoken widely, and both are Romance languages derived from Latin. Twenty-three have completed their dissertations, and ten students are currently in the program.

PRIMARY SOURCES

The efforts against the other revolutionary leaders continued. Zapata was assassinated on April 10, 1919. A vast amount of people died due to exposure to these illnesses.

A Brief Yet Captivating History of Latin America

Albuquerque: University of New Mexico Press 1998. Despite the potential threats to United States commercial interests, the 1933—1945 understood that the United States could not wholly oppose import substitution. New Haven: Yale University Press 2000.

10 Important Events in the History of Latin America

Most of the new national borders were created around the often centuries-old jurisdictions or the Bourbon, which had become areas of political identity. Portugal also wanted a piece of the action, as they were already colonizing other parts of the world.

A Brief Yet Captivating History of Latin America

Nashville: Vanderbilt University Press 2006.

A Brief Yet Captivating History of Latin America

Read this article for a full timeline and breakdown of the captivating history of Latin America. The journal includes an extensive book review section and a compilation of news and notes of general interest to Latin Americanists. Chile, Cuba, Bolivia and Mexico are the countries most heavily represented in this collection.
