## Hurry Home Candy Summary and Analysis (like SparkNotes)

This kept the story intriguing and engaging as he would reveal new information in the second or third telling. Candy is a puppy taken too early from his mother by a pair of excited children. Some insights are nice, though.

## Book Reviews, Sites, Romance, Fantasy, Fiction

He keeps to the shadows fearing all humans. It is probably my best memory from elementary school. The lessons I learned are most especially don't take a pup from its mother too young, and don't use a broom to discipline it.
