حسن، حنفي [WorldCat Identities]

Clear and useful consumer profiles See not just what each consumer does, but how those activities and pastimes are connected to each other. This is the only available database which integrates 8000 brand behaviours with complete behavioural C-19 lockdown data.

### Partners

Consumer beliefs have fundamentally shifted during C19- the behavioural changes on brand and retailer levels are significant. The study comes with an easy to use software to quarry data as well as the options of availing of select custom solutions and reports. They have been an absolute pleasure to work with.

### Target Group Index (TGI)

Apart from the research that Ask Afrika conducts on our behalf, that we feel is of the highest standards, we also derive associated benefits from the other programmes with which Ask Afrika is involved.

### Welcome to IMRB

Global TGI can help you find the answers to all types of marketing questions, quickly and flexibly. Launched in 2001 in India , this study is now conducted and released twice a year. TGI is a key enabler to the Aspen consumer commercial operations The Ask Afrika team has been amazing.

### TGI Consumer Data

It is frequently used in understanding the target markets and to aid marketing and advertising decisions. Truly global We operate globally with a breadth and depth of data that is simply not available elsewhere. These essential consumer insights build real understanding for audience profiling, media planning and buying.

**Target Group Index là gì? Định nghĩa, ví dụ, giải thích**

Using the TGI database of 2019 to compare with the 2020 TGI C-19 database is now a strategic imperative. .
