## The Ultimate Guide to the Greek Islands • Round the World in 30 Days

With its picturesque cliff towns, family-friendly beaches, archaeological ruins, and wonderful wineries, Santorini is my favorite of all the Greek Islands. Seajets Fast Ferries Seajets ferries serve the Cyclades and Crete with modern, high-speed vessels.

Contact your bank and ask them if they have a collaboration with an airline.

## The 20 Best Hotels in the Greek Islands. Our Guide for 2021

I basically went through every hotel on every island, village, town and city in Greece, and picked out the best ones, in all categories, with a representative photo thousands of them which link to more photos, descriptions, guest reviews, maps and booking information. Every hotel will have a hairdryer, leave that at home. You can also use my old hotel directory at which I completely redid in 2021 while I was waiting for travel to begin again.

## Your Complete Guide to Visiting the Greek Islands

Not being a party animal and generally avoiding the very crowded islands unless they have a quieter side like Rhodes, for example, I would not suggest Mykonos or Santorini. Please see your plan for full details.

## Sail The Greek Islands

Mamma Mia was filmed mostly on the island of Skopelos and you can book a tour to visit the various movie locations around the island. Our Captain Yannis gave us everything we asked and more. You can click on one of these links or Join on Facebook for comments, photos and other fun stuff.
