### 15 U.S. Code § 78j

The affirmative vote of the holders of common stock representing a majority of the votes cast at the annual meeting, in person or by proxy, is required to ratify the appointment of Squar Milner LLP. He currently serves as our Senior Vice President of Finance.

### NRF

Fiduciaries do not have discretionary voting authority, however, with respect to nonroutine matters. Stockholders are not entitled to cumulate votes in electing directors. These resources include practical support to help auditors deal with the challenges that may arise.

### Governance

As president and chief executive officer, his responsibilities included overseeing all domestic company-owned and franchisee operations, in addition to providing direction relative to sales, profits, operations and service standards, customer satisfaction, product development, personnel, and training.

### Transaction Capital: IPO Management Roadshow Presentation

This same deadline applies to notices of shareholder proposals submitted outside of Rule 14a-8.

### 15 U.S. Code § 78j

Any available cash flows from HSD on a quarterly basis are to be distributed to pay the accrued Preferred Return and repay the Preferred Interest until fully retired. If you can shift your thinking even a little bit, you can shift from blaming yourself and others to learning from your past decisions. COPIES OF THESE REPORTS HAVE BEEN MAILED TO SHAREHOLDERS OF RECORD TOGETHER WITH THE PROXY STATEMENT.

## **KPMG in Russia**

Boodlal, 202 366-8044 New Public-Private Partnership Focuses on Pedestrian Issues FHWA has joined forces with the National Highway Traffic Safety Administration NHTSA to create a coalition of Federal, State, and private organizations called the Partnership for a Walkable America. The information contained in this document does not purport to be comprehensive.
