**An Introduction to Religious and Spiritual Experience: : Marianne Rankin: Continuum**

The value of the book is that she lets the data speak for itself. The Interpretation of Spiritual, Religious and Mystical Experience; Conclusion; Bibliography; Notes.

**Introduction to Religious and Spiritual Experience by Marianne Rankin (2009, Hardcover) for sale online**

Marianne Rankin has done her research well and gathered a mass of data from across the world's religions and across human history. It also provides a wide range of easily quotable scholarly views from across the spectrum of debate about religious experience, thus supporting students in evaluation-type writing.

**An Introduction to Religious and Spiritual Experience : Marianne Rankin : 9780826498212**

For A level students, or anyone, wanting to grasp the significance of religious and spiritual experience, and to understand how it is researched, this book would repay careful study.

. I found them not simply moving, but persuasive in their authenticity.

**Introduction to Religious and Spiritual Experience by Marianne Rankin (2009, Hardcover) for sale online**

It is also a jolly good read! The author explores modern and historical definitions of altered states such as religious experiences, cosmic consciousness, near death experiences, out-of-body experiences and ecstasy before applying contexts from specific religions and quasi-religions.
