## The NS Profile: John Gray

It's as depressing and provocative as its bad art suggests.

## Gray's Anatomy: Selected Writings

Powys Powys, on the other hand, cherished mortality.

## John Gray (poet)

He sees clearly that the rise of the administrative state, together with the prevalence of grandiose projects for redistribution and social welfare, pose a major threat to the rule of law, and therefore to individual liberty. Happiness and fulfillment can take many forms; there is no single template.

## Gray's Anatomy: Selected Writings by John N. Gray

. We flatter ourselves about the nature of free will and yet the most enormous forces—logical, physical, metaphysical—constrain our every action. The method possibly discloses the things he likes to read, or search out, which is no bad thing for a speculative tome.

## Selected Prose of John Gray

Believing that human beings can be fully understood in the terms of scientific matter This was a very odd book. He is not easy to pin down. His chapters on robots were excellent.

## Thomas Gray

It is not a matter of valuing freedom above other things: if Mises is right, there is no rational alternative to the free market. The stories we tell ourselves are like the messages that appear on Ouija boards.

## Thomas Gray
