You can choose whether to allow people to download your original PowerPoint presentations and photo slideshows for a fee or free or not at all. A couple of minutes of playing with it should be enough to get you going.

Introduction: Corpus Linguistics

The fourth part of the course will focus on the quantitative methods and tools for various levels of corpus analysis e. In the last third of the class, we will deepen our corpus-linguistic expertise by reading a variety of corpus-linguistics papers that address questions like the ones above; we will then replicate, extend, or modify the analyses described in these papers to do our own little research projects.
