Arcane Trickster

You can use Cunning Action to Dash, allowing you to move considerably further in one round, and possibly to hide behind difficult terrain.

Magique Filou: The Arcane Trickster's Guide

Every Swashbuckler feature is both useful and thematically consistent, providing defense, offense, mobility and even some awesome battlefield control and out-of-combat utility. .

Arcane Trickster 5e Guide

These checks can be made silently using a Sleight of Hand against a Perception check.

The DnD 5e Rogue Guide

Resilient: Choose Con and by 15th level you will be proficient in all 3 big saves.

D&D 5E

Restricted to elves, unless your DM says otherwise. As a side note, if you love to play a stealthy character, consider pitching to your DM.

The Trickster's Handbook by Peter Eldin (1991, Trade Paperback) for sale online

Of course, if you need to bail out, then use your Bonus action to Withdraw... But otherwise, start spamming your Legerdemain ability to always have that hand nearby. Dragons have nothing on you, my son.
