Taking interviews for granted You should applaud yourself if you get invited for one or more interviews, because medical schools are often very selective about how many invitations they extend. Take the MCAT Once you have your coursework and fresh GPA in hand, make a responsible MCAT study timeline and stick to it.

## The Ideal Medical School Application Timeline (2021)

The Stanford admissions committee embraces a holistic review process, but, we can tell you that you have to be stellar academically and demonstrate that you are a novel thinker and innovator. Regardless of these deadlines, our med school admission experts recommend you submit your application as early as possible. Almost every medical school recommends that students apply as early as possible.
