### List of New Zealand Test wicket

Richard Pilling 1855-1891 , a native of Bedford, who played for Lancashire, always stood right up to the wickets and stumped very effectively. In any team, a wicket-keeper is a person who knows the game better than anyone else present in the ground as he can see the match from behind the wickets, while also knowing the shortcomings and goodness of the batsman and the bowlers.

### Best Wicket Keepers in World Cup 2019

These shot-stoppers have been presented in order of merit, starting with No 25, although I will. Haddin took 262 catches and made 8 stumps at the rate of 2.

### Top 10 wicket

He has a great impact on changing the face of the game with his skill, as well as with a great psychological impact on the batsman guarding in the wicket.

### Who Is the Greatest Wicket

Schooled in the rolling hills of the Kwa-Zulu Natal Midlands at the prestigious Hilton College, Cameron was identified as a world beater at a young age. To celebrate the record, we decided to look at the top five wicket-keepers — in terms of dismissals — at the World Cup.

### Wisden

Former England keeper, , aged 45 and retired from professional cricket, stepped in at a Test match to replace , with the permission of the captain, after French had been hit in the head while batting. There's only one way to find out: FIFA.

### Who is the best wicket

The Portuguese superstar was tied with Jimmy Greaves ahead of the fixture on April 29th, and duly moved ahead of the Englishman with a first-

half header for Los Blancos. Wood playing in the first three and the young George Duckworth in the fourth.
