Other institutions supporting or promoting general semantics in the 21st century include the New York Society for General Semantics, the European Society for General Semantics, the Australian General Semantics Society, and the Centre for General Semantics and Other Human Sciences Baroda, India. Learning experientially through case studies? Animals may have multiple levels of abstraction, but their abstractions must stop at some finite upper limit; this is not so for humans: humans can have 'knowledge about knowledge', 'knowledge about knowledge about knowledge', etc. General Semantics Bulletin, 1983, Number 50.

Video interviewed available from the.

Korzybski, Alfred 1879

The , which Korzybski and co-workers founded in 1938, continues today. The benefits come from maintaining an awareness of the principles and attitudes that are derived from GS and applying them as they are needed.

GENERAL SEMANTICS AS CRITICAL THINKING: A Personal View on JSTOR

Sleights of Mind: What the neuroscience of magic reveals about our everyday deceptions.

james tackaberry mccay

The ideas of general semantics became a sufficiently important part of the shared intellectual toolkit of genre science fiction to merit parody by and others; they have since shown a tendency to reappear in the work of more recent writers such as , and. Drive yourself sane: Using the uncommon sense of general semantics 3rd ed. General semantics as a movement has waned considerably since the 1950s, although many of its ideas live on in other movements, such as and.
