## Letters of Marcus Tullius Cicero

I had just made my way from on to the via at , on the very day of the 19th April , when my friend meets me on his way from. It just shows how racist the jury were. I have such a passion for things of this sort that while I expect assistance from you, I must expect something like rebuke from others.

## Cicero: Letters to and from Cassius

For I hope that men generally will come to understand how much all the world hates cruelty, and how much it loves integrity and clemency, and that the blessings most eagerly sought and coveted by the bad ultimately find their way to the good.

## Letters to Atticus, with an English translation by E.O. Winstedt. (1912 edition)

Rather reluctantly, he had gone out to be governor of the neighbouring province of Cilicia. The senators passed this action as they were unwilling to get into confrontation with Caesar as he wielded so much power and he had his legions with him. Reprint: New York, Arno Press, 1979.

## Cicero: Letters to and from Cassius

I should be very glad if you would settle this before you leave , with your usual kindness and exactness. If you have the strength, it is a praiseworthy and popular thing to do; if you absolutely lack that strength, you will find it easier to stand people's gossip if you stay away. But meanwhile a genuine statesman is not to be found, even in a dream.

## ToposText

In the first place, though he was once the only man at 's house, he is not now allowed to be one in twenty: in the next place, one legation had been promised him and another has been given. And, indeed, at the moment of writing, I am in considerable distress: for a delightful youth, my reader , has just died, and his death has affected me more than that of a slave should, I think, do.
