Promoting reading in school

To date, the study has collected information about three 'cohorts' of children: a child cohort and two birth cohorts - altogether, information has been collected about 14,000 children.

5 Hidden Benefits Of Reading For Kids (And Their Parents!)

Encourage your child to write. Many try to do too well and hover around them when they do homework, which can stifle creativity and self-development.

Parents As First Teachers: Creating An Enriched Home Learning Environment

Boston, MA: Houghton Mifflin, Co. SSR is simply a period of time when everyone, including the teacher, reads.

Why is Reading Important for Children?

Exposing children to quality literature can contribute to the creation of responsible, successful, and caring individuals. Your children will learn a lot of self-help skills in the bedroom.

5 Hidden Benefits Of Reading For Kids (And Their Parents!)

Children learn from all aspects of the environment Greenman, 1988; Penny-Velázquez, 1993; Adame-Reyna, 1995.

Establishing healthy parent

But many teachers have decided that the time spent in these ways is worth it, because such accommodations allow students to use what they

already know to make sense out of what's new.

Reading Rockets: Launching Young Readers . Resources

Take turns reading, perhaps alternating paragraphs or pages. When your child reads, get her to retell the story or information.

Kindergarten Parent Brochure

. Here are some helpful hints for you and your child to use as you decode. Help your children to find things around the house for dress-up or to add to the make-believe! We have introduced several key instructional principles in this chapter that can help you think about curriculum and instruction in your Even Start program.
