## 8 Strangest Epidemics

Only recently 1989 was the original first draft published in a limited edition by Dennis McMillan.

### The Book Case of Fredric Brown (by Alex Verstegen) op De Boekenplank

It was turned down by twelve publishers before being accepted by Dutton. In it he combines two earlier stories into a breathtaking adventure and it's a must for Brown lovers. Although Slim loves to play pranks on Hank and poke fun at him, it is clear he has an affinity for both him and Drover, frequently asking them to come along with him on odd jobs.

### Bill Crider's Pop Culture Magazine: Forgotten Books: THE CASE OF THE DANCING SANDWICHES

It's a brilliantly constructed psychological crime novel which many critics regard as his best work. Her father noticed that she had gone from the group at 8. I will have to read about the Fredric Brown you didn't like, because from my experience, even his lesser titles have had merit.

### Hank the Cowdog

What it lacks in Brown's usual originality of plot, it makes up for by originality in form. Helen Karipidis Missing since: Monday, 12 December 1988, Jurisdiction: New South Wales, Year of birth: 1978, Height: 130 cm, Build: Slim, Eyes: Brown, Hair: Brown. He was right, of course.
