World title and presented a very huge trophy plus an electric wristwatch at ,the banquet for his victory.

## The Difference Between Amateurs and Professionals

Professionals realize the first idea is rarely the best idea.

## The Difference Between Amateurs and Professionals

Those who had sunglasses handy, used them to cut down on the glare in order to obtain a better view of posing contestants.

## The Difference Between Amateurs and Professionals

And when it was all over, it was the Austrian, Arnold Schwarzenegger, who beat out Sergio Oliva by a small margin, while Dave Draper finished third. It is understood that in certain figures this may be flexible, but not throughout the whole

Later each man posed individually under better lights, although there still seemed to be a little too much light for some of the posers.

### Services — 3AM THEATRE

Stage categories will feature one couple or one stage group at a time dancing in choreography to pre-selected music. Professional Event At approximately 9:PM the professionals lined up on stage as did the amateurs the night before, but this time the stage was flooded with lights. Not only were the competitors overflowed with light, but there were lights glaring from the stage and sides into the audience that hindered one's view.
