### Federal :: Humboldt

Two Ranger Districts This would be the Carson Ranger District covering the East ends of the Mokelumne and Carson Iceberg Wilderness down the Eastern flanks of the Sierra from Highway 88 down to Highway 108, and the Bridgeport Ranger District administering the strip of National Forest on the East flank South from Highway 108 including the whole of the Hoover Wilderness down to Highway 120. Records of the Office of Forest Reserves, 1905-7.

### Humboldt

Records of the Forest Service emergency project to produce rubber from guayule, 1942-46. Lost MN to District 1, March 1909. Textual Records in San Francisco : Regional planning records, 1965-69.

### Intermountain Region

Subpart B is not an information collection because the notice indicating the availability of the plan, plan amendment, or plan revision, the appropriate final environmental documents, the draft plan decision document, and the beginning of the objection period is a general solicitation. The Toiyabe covers almost all of our route along the Pacific Crest Trail between the Carson Pass South to Yosemite, excepting a couple of small bits. Numbered districts given geographical designations, 1919: District 1, Northern District; District 2, Rocky Mountain District; District 3, Southwestern District; District 4, Intermountain District; District 5, California District; District 6, North Pacific District; and District 7, Eastern District.

### Records of the Forest Service

The 1982 rule procedures have therefore formed the basis of all existing Forest Service land management plans. The Forest Service soon learned that the requirement of the 1982 rule to follow the same steps for a significant amendment as for a revision was excessively burdensome. Toiyabe National Forest section The larger and more southwesterly Toiyabe National Forest is located in central, western, and southern Nevada and eastern California, in parts of Nye, Lander, Mineral, Lyon, Eureka, Washoe, Douglas, and Clark counties, and Carson City in Nevada, as well as Mono, Alpine, Sierra, Nevada, Lassen, and El Dorado counties in California.

**Federal :: Humboldt**

The Draft Environmental Impact Statement is expected in September 2018, and the Final Environmental Impact Statement is expected in May 2019. First, this sentence now more clearly describes the required process for responsible officials to first determine and then apply substantive requirements that are directly related to changes being proposed.

**Ely District Office**

No person is required to supply specific information pertaining to the respondent, other than that necessary for self-identification.

**Federal :: Humboldt**

Related Records: Record copies of publications of the Forest Service in RG 287, Publications of the U. And there is a lot more to the Toiyabe than this.

**Intermountain Region**

Textual Records in Seattle : Records of sand dune plantings, 1910-16. Made part of autonomous regional system with headquarters in Denver, CO, December 1, 1908.
