## The Sphere Project

§ 1395w-104 b 3 C ; see also id.

## Organization and management of a pharmacy

The board shall promulgate regulations exempting from any labeling requirement of this article drugs, devices and cosmetics which are, in accordance with the practice of the trade, to be processed, labeled, or repacked in substantial quantities at establishments other than those where originally processed or packed, on condition that such drugs, devices and cosmetics are not adulterated or misbranded under the provisions of this article upon removal from such processing, labeling, or repacking establishment. Security of stocks requires solid doors, locks, windows and ceilings. Such review shall include screening for potential drug therapy problems due to therapeutic duplication, drug-drug interactions, including serious interactions with over-the-counter drugs, incorrect drug dosage or duration of drug treatment, drug-allergy interactions, and clinical abuse or misuse.

## NYS Pharmacy:Laws, Rules & Regulations:Part 63

Coordination with commercial pharmacy chains may also enhance recovery efforts as these large chains have the ability to provide response packs tailored to local population needs for chronic illness maintenance drugs or provide prescription information for evacuees who use their services. For pharmacies engaged primarily in the mail order delivery of prescriptions, that telephone number shall be toll-free for long distance calls. An oral authorization for the refill of a prescription, other than a prescription for a controlled substance, may be made by a practitioner legally authorized to prescribe drugs.

## The Sphere Project

Management of a pharmacy Organization of activities The management of the pharmacy should be entrusted to a single person having received adequate training. Any pharmacist whose first registration date following the effective date of this section occurs less than three years from such effective date, but on or after January first, nineteen hundred ninety-eight, shall complete continuing education hours on a prorated basis at the rate of one and one-quarter hours per month for the period beginning January first, nineteen hundred ninety-seven up to the first registration date thereafter. In the event that the location of such place of business shall be changed, the owner shall apply to the department for inspection of the new location and endorsement of the registration for the new location.

### **CAB Direct**

Any issue of fact joined in any case under this section shall be tried by jury on the demand of either party.

### **Natural Disasters**

Physician-administered drugs, regardless of formulation, are typically covered and paid under the medical benefit.
