### Online Resources

There are many databases and websites referred to in the text so it is important to check those relevant links on occasion. While this is a strong text some discussion of theory and how theoretical frameworks are used in academic writing.

### Choosing & Using Sources: A Guide to Academic Research

Punctuation is pretty much excellent and its composition keeps the reader in track with the content effectible. Comprehensive review of all links is highly recommended. At least a dozen links would not work from the PDF text when opened in Firefox.

### Databases by Title, Library Resources : Barry University, Miami Shores, FL, US

Cultural Relevance rating: 5 Appropriately culturally sensitive. Nothing that blatantly jumped out at me.

### Online Resources

Includes content of local and regional news, including community events, schools, politics, government policies, cultural activities, local companies, state industries, and people in the community. They also do well with explaining fact vs. Consistency rating: 5 Each chapter is organized similarly to the others and is written in the same easy-to-follow, technical-free language.

### Choosing & Using Sources: A Guide to Academic Research

From market trends, mergers and acquisitions to current management theory and company overviews. Interface rating: 5 Charts, diagrams, examples, and videos are highlighted to exemplify key contents.

**Ferritic Stainless Steels,ASM Engineering,ASM Materials**

With coverage dating back to 1809 and full-text back to 1865.
