Bantu Languages

But they do have unique differences. Historical Research on the Bantu Expansion From what precedes one might be impressed with the idea that only linguists, archaeologists, paleoenvironmentalists, and evolutionary geneticists have engaged in debates on the Bantu Expansion.

Bantu Languages

In conjunction with archaeological data, the internal diversity within the Bantu language family suggests that an initial phase of slow fragmentation and expansion over small distances was followed by a second phase of rapid large-scale dispersal. Moreover, it has not remained without political repercussions, for example, in post apartheid South Africa, but also elsewhere in the continent. Rehren London: Archetype Publications, 2013 , 22 —28.

What are the Bantu Languages? (with picture)

In other words, a strong claim for this language family is that almost all words end in a vowel, precisely because closed syllables CVC are not permissible in most of the documented languages, as far as is understood.

The Bantu Languages of Africa: Handbook of African Languages (Linguistic Surveys of Africa): Bryan, M. A.: 9781138097919: satis.farmjournal.com: Books

This tendency to avoid in some positions is important when words are imported from or other non-Bantu languages. Scholars increasingly agree that a climate-induced destruction of the rainforest around 2,500 years ago would have given a strong impetus to the Bantu Expansion through West-Central Africa. They are part of the so-called Urewe tradition, called after an eponymous site northeast of Lake Victoria in Kenya and characterized by a distinctive kind of pottery that is found all over the Great Lakes region from the Kivu Eastern Congo in the West to the eastern shores of Lake Victoria in the East and from the Ugandan Chobi region in the North to the southern shores of Lake Victoria and Burundi in the South.

What are the Bantu Languages? (with picture)

They migrated from the East-African Great Lakes Region to South Africa in less than a millennium.

The Bantu Expansion: How Bantu People Changed Sub

Many authors believe Bantu people originated from southern West Africa in the region between the Niger delta and the Sanaga River in Southern Cameroon.

Origin of Bantu people and their languages

The word kintu exists in some places, but it means 'thing', with no relation to the concept of 'language'. Pluralizing to 'children' gives Vitoto vidogo vinekisoma Vana vadoko variverenga in Shona , and to 'books' vitabu gives Watoto wadogo wamevisoma.
