When you need content to flow around a shape, use the shape-outside property.

Alexey Brodovitch and his Influence by Bunker, George H. (introduction): Softbound (1972)

There he trained students in the fundamentals of European design, while embarking on numerous freelance illustration assignments in Philadelphia and New York.

Alexey Brodovitch, design leader

In issue 2 of Portfolio, Brodovitch designed a spread on the work of abstract-expressionist artist Jackson Pollock. Considering the creative opportunities CSS Shapes offer, this is disappointing.

Inside my main element are two SVG images which I use to carve my running text into its shape. Alexey Brodovitch would emphasise the personality being evident naturally with each click of the shutter; opening up the possibilities for real warmth and excitement to leap out from the pages. Brodovitch began by designing his layouts as sketches on paper.
