**satis.farmjournal.com: Integrative Religious Education in Europe: A Study**

Didactics of the Study of Religions. Alberts has recently edited a theme issue of the journal *Numen* 2008, vol.

**De Gruyter**

Therefore it is plausible to concentrate on the English and Swedish context, where these questions have been discussed for years. This leads to a well-informed and very helpful overview of the most interesting models and theories of RE in Europe.

**De Gruyter**

British Journal of Religious Education, 32 3 , 275—290. The subject matter is not only religions, but all kinds of livsåskådningar outlooks on life, including secular ideologies 236-244. Secular theory and the academic study of religion.

**A study**

Integrative religious education refers to education about different religions in classrooms with children of various religious and non-religious backgrounds. But I do not consider it an important task for the academic study of religion but rather for sociology and educational science, nor a relevant issue for RE but rather for a social science school subject.

**A study**

Swedish religion education: Objective but marinated in Lutheran Protestantism? Case Studies in the Research and Development of Good Pedagogic Practice in RE, Great Woking, England: McCrimmons Publishing, 24-52. A general critique of capitalism and other political and economical ideologies is certainly important.

## **A study**

The role of method and theory in the IAHR. The Faculty of Humanities, University of Southern Denmark, Odense.
