Armentieres received reinforcements, and the body commanded by Imhoff was occasionally augmented ; but the siege was not formally undertaken till November, when some heavy artillery being brought from England, the place was regularly invested, and the operations carried on with such vigour, that in a few days the city surrendered on capitulation. Schoolcraft says Algonac, a village of St. But to retain them in their offices, and to employ an unofficial declaration of his dissent from them to defeat their policy, is neither consistent with the straightforward conduct due from one gentleman to another, nor with the principle on which the system of administration, such as prevails in this country, is founded.
